SHARED OWNERSHIP

haart are selling these homes on behalf of Sage Housing* through Shared Ownership. With Shared Ownership you can buy a share of a home using a mortgage from a bank or building society and pay a subsidised rent on the remaining share. The combined mortgage and rent is normally less than you'd expect to pay if you bought a similar property outright. When you're ready, you can buy more shares until you own 100% of your home. Shares on Newhall start from 40%.
